

SECOND AMENDED NOTICE REGARDING POLICIES IN RESPONSE TO COVID-19

Effective August 24, 2020, the Kaiser Aluminum & Chemical Corporation Asbestos Personal Injury Trust (the “Trust”) has adopted the following policies:

1. Subject to further review, the policies set forth below shall remain in effect commencing on August 24, 2020 and extending through December 31, 2020 (the “Effective Period”).
2. Any claim documents submitted to the Trust’s claims processor, Verus Claims Services LLC (“Verus”), that require a signature may be executed by electronic signature through DocuSign. Law firms shall maintain the audit trail for all electronic signatures.
3. If an affidavit or release submitted to the Trust requires authentication by a notary, during the Effective Period the Trust waives the requirement of a notary. In place of the notary requirement, the Trust will require that (i) the affidavit or release explicitly state that it is made under penalty of perjury, and (ii) the affidavit or release must also be executed by a witness, who may be a family member.
4. The Trustees will review any requests to toll the statute of limitations for filing a claim, or to extend the time to respond to notices of offer, deficiency or withdrawal, on a case-by-case basis.
