

NOTICE REGARDING ADOPTION OF PERMANENT POLICIES IN RESPONSE TO COVID-19

Effective August 24, 2020, the Kaiser Aluminum & Chemical Corporation Asbestos Personal Injury Trust (the “Trust”) adopted certain policies in response to COVID-19 (the “COVID-19 Policies). The Trust extended the COVID-19 Policies three times, most recently through March 31, 2021. After discussion, the Trustees agreed to adopt the COVID-19 Policies set forth below as permanent policies of the Trust effective March 31, 2021:

1. Any claim documents submitted to the Trust’s claims processor, Verus Claims Services LLC (“Verus”), that require a signature may be executed by electronic signature through DocuSign. Law firms shall maintain the audit trail for all electronic signatures.
2. If an affidavit or release submitted to the Trust requires authentication by a notary, the Trust waives the requirement of a notary. In place of the notary requirement, the Trust will require that (i) the affidavit or release explicitly state that it is made under penalty of perjury, and (ii) the affidavit or release must also be executed by a witness, who may be a family member.
